Women & Careers Programme

Why this programme?

As a woman entrepreneur, I understand the challenges we face: balancing professional and family life, managing childcare, having our skills recognised, developing our networks, and strengthening our self-confidence. To address these needs, I created the Women & Careers programme, a caring, practical, and inspiring training path.

Liana Liu, Mentorama Léman

Two modules to choose from

Module 1 – Returning to Employment

For women wishing to resume a professional activity after a career break or a career change

~ Skills update ~Comprehensive job search preparation ~Focus on lasting success

Module 2 – Entrepreneurship & Financial Independence

For women who want to create or develop an independent activity and regain full financial autonomy

~ Structured and personalised pathway ~Operational management ~Long-term vision for growth, recruitment, and team management ~Main objective: to achieve sustainable financial independence and secure one's autonomy

Our training sessions take place two mornings per week, in a warm and interactive environment, at Coppet.
